

The Newmarket Hotel prides itself on exceeding our guest expectations with an extensive food and beverage menu and personal customer service. This combined with a great relaxing and entertaining atmosphere makes the Newmarket Hotel a perfect place for your next function. Our function areas are located through the venue to best accommodate all types of functions groups. Events can range from, but are not limited to, 21st / 30th birthdays, anniversaries, work functions and Christmas drinks. Everyone is welcome and encouraged to gather and have a function at the Newmarket Hotel.

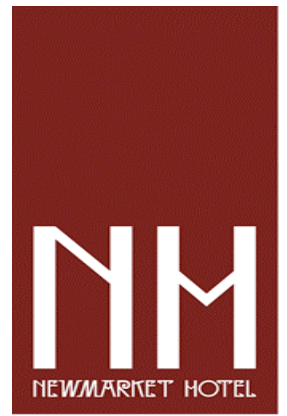

Organising or inquiring about an area at the Newmarket Hotel is simple. Contact the hotel between opening hours and ask our management team for information. They will be able to help you organise your function, book in a meeting time to view the area and provide advice to you on how to make the event memorable. Our functions management team aim to look after all aspects of organisation, leaving you to enjoy every moment of the day or night. At all times we aim to cater for each function individually, and where possible to best accommodate all requests and requirements. As the hotel does not have private rooms for functions we instead offer areas of our public bars for private use. The advantage of this is zero cost involved for your function apart from food and beverage purchased during the event. Please find function platter menus at the bottom of this page. We offer bar tab facilities in both Market and Bistro bars where you can limit any amount and choice of beverages.
